After the outlines had been tested by several teachers with their classes, the report of the committee was presented to the Association in April, 1901. The general and special introductions with ample illustrations of the outlines were then printed and sent to all members as a preliminary report. After this had been tried in the schools and discussed by the Association at its meeting in October, 1901, the report was approved and ordered published. The original committee which prepared the preliminary report was composed of six members: Herbert D. Foster, of Dartmouth College, Chairman, Bemadotte Perrin of Yale University, Elizabeth K. Kendall of Wellesley College, Edwin A. Start, then of Tufts College, Ernest F. Henderson, Walter H. Cushing, then teacher of history in the Medford High School and now Principal of the South Framingham High School.
