

The Leader in Me: How Schools and Parents Around the World Are Inspiring Greatness, One Child at a Time (Paperback)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SIMON SCHUSTER, United States, 2009. Paperback. Book Condition: New. 215 x 138 mm. Brand New Book. The world has entered an era of the most profound and challenging change in human history. Most of our children are not prepared, and we know it. Parents around the world see the change and know that the traditional three R s -- reading, writing, and arithmetic -- are necessary, but not enough. Their children need to become far more responsible, creative, and tolerant of differences. They need to increase their ability to think for themselves, take initiative, get along with others, and solve problems. Business leaders are not finding people whose skills and character match the demands of today s global economy, including strong communication, teamwork, analytical, technology, and organizational skills. They need young people who are self-motivated, creative, and have a strong work ethic. How will we bridge this ever-widening gap? The Leader in Me is the story of the extraordinary schools, parents, and business leaders around the world who are preparing the next generation to meet the great challenges and opportunities of the twenty-first century. In 1999, the A.B. Combs Elementary School in North Carolina was on the verge of being cut as a magnet school and needed to find new ways to educate its students. Teachers and administrators began teaching practical, principle-based leadership skills -- with remarkable results. In a short time, the number of students passing end-of-grade tests vaulted from 84 to 97 percent. Simultaneously, the school began reporting significant increases in students self-confidence, dramatic drops in discipline problems, and striking increases in teacher and administrator job satisfaction. Parents, meanwhile, reported equivalent improvements in their children s attitudes and behavior at home. As news of the school s success spread, schools around the world began adopting the mantra to...
