RUN LIKE HELL THE CASSIDY CHRONICLES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 178 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Set a century in the future, Run Like Hell is a fast-moving adventure - well, why don't we let JM Leitch, author of The Zul Enigma, tell you about it. Run Like Hell doesn't fall into the weighty adventure sci-fi type of novel I usually choose - it is also a light-hearted futuristic romance - but having said that it's beefed up with good science and is a well-constructed and well-written book. The main characters are charming and original and dazzle the reader with their quick and witty repartee. Set 100 years in the future, the book opens with the wedding of two female friends, Kendra (Ken) Foster-Briggs, exotic actress and film producer, Aiyana Cassidy (Cass), half Irish half Native American graduate from MIT with a Doctorate in Optical Engineering, and Derek James, a man of independent means. The only problem is instead of the Reverend marrying them, he pulls a gun on them, forcing them to Run Like Hell. Surviving a second attack, the two ladies leave Derek behind and after working out, Cass is the target, Ken arranges new identities and a safe place for them both to lay low until they can sort out the mess they find themselves in. I won't give away any more of the plot, but I will say this is a fast-paced page-turner and worthy of the 5 stars I have given it. This item ships from La Vergne, TN. Paperback.
