Many fears are wrapped up in global issues and events and whether they signal "doomsday," or the end of the world as we know it. That is the very thing this book is all about. In his weekly commentaries Terry James carefully analyzes the scenarios that Jesus and the prophets of the Bible foretold will precede Christ's Second Coming. Last-Days Diary presents these commentaries in a journal format to give a running narrative of what in the world has been going on for the past two years. This insight helps readers know what to make of headlines and happenings in light of biblical prophecy, and it unveils just how near we are to the Tribulation hour. Israel is back in the Holy Land and in the spotlight of world attention. Jerusalem is the cause of great controversy. The world's monetary systems are in chaos. Computer and surveillance technologies threaten to end liberty around the globe. The progression of these prophesied issues and the march of these unfolding events ignites a burning necessity to look more deeply into these matters so critical to our immediate future.
