Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 60 pages. Original publisher: Washington, D. C. : U. S. G. P. O. , 2001. OCLC Number: (OCoLC)48172136 Subject: United States -- Appropriations and expenditures, 2002. Excerpt: . . . 15 The Committee recommends a total of 852, 808, 000 for Military Construction, Defense-wide, for fiscal year 2002. This is an increase of 158, 250, 000 above the budget request and an increase of 54, 345, 000 above the fiscal year 2001 level. Aruba-Forward Operating Location. - Division B, Title III, Chapter 3 of the Military Construction Appropriations Act, 2001 (Public Law 106 - 246) appropriated a total of 10, 250, 000 to construct a Forward Operating Location in Aruba. This requirement is no longer needed. Therefore, the Committee rescinds 10, 250, 000 from the Military Construction, Defense-wide account. Chemical Demilitarization. - The 1986 National Defense Authorization Act (Public Law 99 - 145) authorized the Chemical Demilitarization program for the purpose of destroying all U. S. stockpiled chemical agents and weapons by April 29, 2007. In 1991, Congress expanded the law to include the destruction of chemical warfare material not part of the stockpile, such as buried munitions and former weapons production facilities. The Department of the Army is the agent responsible for program management and oversight. As requested by the President, the Committee recommends appropriating 172, 500, 000 for chemical demilitarization projects, which is 2, 900, 000 below the amount appropriated in fiscal year 2001. The following chart displays the fiscal year 2002 funding increments: State Installation Project Request Recommended Arkansas. Pine Bluff Arsenal.
