Createspace, United States, 2010. Paperback. Book Condition: New. Laurence G Freeman (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Light glistens upon a dark and shadowy corner of my mind, revealing dazzling lyrical gems of a rare quality too seldom seen these days. Beautiful and haunting images which are best admired through eyes slightly stimulated by wispy dancing shadows produced by candle light as you lay naked on your bed behind a locked door. Some you will whisper softly into your lover s ear while your carnal appetite escalates into a frenzy of insatiable ecstasy. Be careful, this mixture of lurid steamy images should only be revealed to the discreet and mature. So slip next to someone comfortable and enjoy Slide Over The Rainbow s Edge.Into The Night, provocative adult poetry delicately carved from the recesses of my mind and placed aside for your dessert.
