RETURN ON SOFTWARE: MAXIMIZING THE RETURN ON YOUR SOFTWARE INVESTMENT (PAPERBACK)

Pearson Education (US), United States, 2008. Paperback. Book Condition: New. 231 x 175 mm. Language: English . Brand New Book. This pioneering book highlights critical, overlooked skills needed by true software professionals. Steve McConnell CEO and Chief Software Engineering Construx Software It s about time someone took this stuff seriously. Steven Mellor Chief Scientist Embedded Systems Division Mentor Graphics Corporation Co-Author of Exploring the Role of Executable UML in Model-Driven Architecture and six other books Despite the fact that engineering economics is considered a core area of any engineering field, virtually no books have been written in the area of software engineering economics. Steve Tockey s Return on Software nicely fills this gaps by providing a comprehensive introduction to software engineering economics accessible both to students and to new software professionals. Donald J. Bagert, Ph.D., P.E.Director of Software Engineering and Professor of Computer Science Software Engineering Rose-Hulman Institute of Technology The elements of this book are useful not only in making decisions but also in understanding why and how other people and organizations make decisions Shari Lawrence Pfleeger Senior Researcher, RAND Co-author of Security in Computing and eight other software engineering titles This just what the doctor ordered to help software programs solve the problem of how to introduce engineering economics and business decision-making into their curricula. The economics of software development should not only be part of any computing curriculum they are an essential element of recent accreditation and certification recommendations. This book is an accessible and relevant text for any student of software engineering. The style is clear and straightforward and the software examples will be appealing to students and faculty alike. I can t wait to use it in class! Thomas B.Hilburn, Professor Department of Computer and Software Engineering Embry-Riddle Aeronautical University Is your organization maximizing the...
