History of Modern Philosophy in France (Paperback)

By Lucien Levy-Bruhl

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a concise but comprehensive history of the way in which philosophy developed during the modern era in France. From the preface: This History does not claim to be complete- that is to say, it does not consider all who have treated philosophical subjects in France from the beginning of the seventeenth century down to our days. Frequently, philosophers of lower rank and only moderate originality are not mentioned in it at all. The author did not wish to burden his book, already large enough, with a mass of necessarily dry and uninteresting information regarding philosophers who are little known, and deservedly so. And above all, he did not intend to write a work of erudition, but a history. Now, philosophers without marked originality-those, for instance, who were simply disciples of the masters- have indeed their value in the eyes of that erudition which wishes to know all there is to be known of a certain epoch. But their value is slight in the eyes of the historian. For he does not propose merely to perpetuate facts...
