Cinnabar Press, United States, 2015. Paperback. Book Condition: New. Ersions (2nd) and Book Resized ed.. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Zane swore as a child to protect all the odd people of the world, studying chameleons and muscle groups to teach himself to alter his own appearance. No longer a young boy too smart and too different to fit in, Zane starts his first job at a pharmaceutical company where he uncovers layers of corporate secrets that hide surprisingly vile plans. Once he is sent on a sales trip to the South Pacific, it becomes clear that there are those who would kill to protect the mysteries that the company has worked so hard to keep hidden. Charged with murder and hunted by an unsavory boot camp manager, he finds himself sailing to remote islands with a shadowy group known as y1. As a young gay man sometimes forced to hide his true nature at home, Zane discovers love with a young man of the Pacific whose past and whose talents are every bit as unusual. Fantasy, reality and speculative science come together as Zane must find a way to use all of his unique abilities to resist turning from a murder suspect into a murder victim. He still plans to keep his childhood promise, if he can only live long enough to do so. y1 is part of 46. Ascending, a collection of loosely interrelated novels about five very different family members who each discover that they can do the extraordinary when they must. The books are designed to be read as stand-alone stories or in any order as they overlap in time and build upon each other in all directions.
