When Pontius Pilate ordered the crucifixion of Jesus Christ, he thought he was putting an end to the Jewish uprising that had been threatening the authority of the Roman Empire. What Pilate didn't realize, however, was that the real revolution was just getting started. Based on the epic NBC television event, A.D. The Bible Continues: The Revolution That Changed the World is a sweeping biblical narrative that brings the political intrigue, religious persecution, and emotional turmoil of the Book of Acts to life in stunning, vibrant detail. Beginning with the crucifixion, New York Times bestselling author and Bible teacher Dr. David Jeremiah chronicles the tumultuous struggles of Christ's disciples following the resurrection. From the brutal stoning of Stephen and Saul's radical conversion, to the unyielding persecution of Peter and the relentless wrath of the Jewish authorities, Dr. Jeremiah paints a magnificent portrait of the political and religious upheaval that led to the formation of the early church. Complete with helpful background information about the characters, culture, and traditions of the era, A.D. The Bible Continues: The Revolution That Changed the World is not only a riveting, action-packed audio book, but also an illuminating exploration of one of the most significant chapters in world history. Get ready to witness history unfold. The revolution has begun!.
