INFRASTRUCTURE AS CODE: MANAGING SERVERS IN THE CLOUD (PAPERBACK)

O Reilly Media, Inc, USA, United States, 2016. Paperback. Book Condition: New. 250 x 150 mm. Language: English . Brand New Book. Virtualization, cloud, containers, server automation, and software-defined networking are meant to simplify IT operations. But many organizations adopting these technologies have found that it only leads to a faster-growing sprawl of unmanageable systems. This is where infrastructure as code can help. With this practical guide, author Kief Morris of ThoughtWorks shows you how to effectively use principles, practices,...

Reviews

An incredibly great ebook with lucid and perfect reasons. It is really basic but excitement within the fifty percent of your book. Its been designed in an extremely simple way and is particularly simply after i finished reading this book by which actually changed me, affect the way in my opinion.

-- **Dr. Fiona Grimes PhD**

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- **Mark Bernier**

This pdf will never be straightforward to start on studying but extremely entertaining to see. It really is rally fascinating throug reading through time period. Its been designed in an remarkably easy way in fact it is just soon after i finished reading this book through which basically changed me, modify the way in my opinion.
