Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

In order to be good at her job, she must live among human teenagers for weeks at a time. But Naomi soon becomes attached to the kids she's been assigned to watch over. And knowing that these teens are gonna die under less than ideal circumstances, she has the opportunity to prevent their deaths from occurring. Naomi must make the hardest choice of her career, go against the sacred covenant or watch her new friends walk blindly to their deaths. Only one thing is for certain-Naomi has a grim knack for finding trouble and she's about to break all the rules. 87,000 words/Ages 13 and up.
