Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Ember, United States, 2013. Paperback. Book Condition: New. Reprint. 208 x 138 mm. Language: English . Brand New Book. Love is awkward, as fans of Rainbow Rowell and E. Lockhart well know. Funny and heartbreaking in equal measure, this grocery store romance was a Morris Award Finalist for Best YA debut. Smart, honest and full of achingly real characters. And it made me laugh. What else would you want in a book? Melina Marchetta, Printz Award-winning author From the moment Amelia sets eyes on Chris, she is a goner. Lost. Sunk. Head over heels infatuated with him. It s problematic, since Chris, 21, is a sophisticated university student, while Amelia, 15, is 15. Amelia isn t stupid. She knows it s not gonna happen. So she plays it cool around Chris at least, as cool as she can. Working checkout together at the local supermarket, they strike up a friendship: swapping life stories, bantering about everything from classic books to B movies, and cataloging the many injustices of growing up. As time goes on, Amelia s crush doesn t seem so one-sided anymore. But if Chris likes her back, what then? Can two people in such different places in life really be together? Through a year of befuddling firsts first love, first job, first party, and first hangover debut author Laura Buzo shows how the things that break your heart can still crack you up. A sweet and scathingly funny love story. Kirkus, Starred Review From the Hardcover edition.
