Brand New Book ***** Print on Demand *****.Healing Ministry is based on our experiences of using Viktor E. Frankl's Logotherapy during the past twenty years. It is based upon selected articles we wrote while working as Psychiatrist (Edward Marshall), Psychologist (Maria Marshall), Clinical Counselor and Psychotherapist (Maria and Edward Marshall). The first article Healing through Meaning was written by Maria Marshall in 1994. It was submitted in preparation for the Tenth World Congress on Logotherapy, which was held in July, 1995. The paper was presented in an abbreviated format. This was the first International Conference on Logotherapy that Maria attended. The Tenth World Congress allowed her to meet and to study with other distinguished logotherapists, such as Dr. Elisabeth Lukas. The paper has been recently re-constructed with help from Edward Marshall, and appears in this text. A shorter version of it has been submitted as an article for publication in the International Forum for Logotherapy (IFL). The third article Logotherapeutic Principles in Marriage Therapy was written in the same year, 2000, and was presented at the International Conference of Transcultural Psychiatry in Andorra, in 2001. The photo on our cover page was taken in Andorra. It is entitled The Dancing Couple and is the most photographed statue and symbol of the Principality of Andorra. --Shortly after the conference in Andorra, Maria Marshall and Edward Marshall met. Edward Marshall, at the time was working in the...
