

Lucid Dreaming, Plain and Simple: Tips and Techniques for Insight, Creativity, and Personal Growth

By Robert Waggoner, Caroline McCready

BRILLIANCE AUDIO, United Kingdom, 2015. CD-Audio. Book Condition: New. Unabridged. 168 x 132 mm. Language: English . Brand New. Aimed at beginners, Lucid Dreaming, Plain and Simple shows the listener how to enter and fully experience the lucid dreaming. Among the amazing things Waggoner and McCready teach listeners are how to: consciously decide what actions to perform; explore dream space (or the contents of your subconscious); interact with dream figures; conduct personal and scientific experiments; be free of waking state limitations (e.g., flying, walking through walls, and discovering creative solutions to waking issues) This audiobook approaches lucid dreaming from a more cognitive psychology stance, and focuses more on how to lucid dream and how to use lucid dream techniques for personal growth, insight and transformation. Whether a listener is completely new to lucid dreaming or someone who has experienced that incredible moment of realizing This is a dream, listeners will learn valuable tips and techniques gleaned from scientific research and decades of experience to explore this unique state of awareness more deeply.
