Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hardback. Book Condition: New. Not Signed; Three generations of women, all with very different ideas as to what constitutes the good life. For Hanna, 95, it's always been based on duty, piety, and service to others, but for her granddaughter, Amy, it means wealth success and status. Amy's mother, Maria, is more ambivalent; attracted by both Hanna's high ideals and by the new hedonistic lifestyle she encounters when, after the death of her mother, she moves from Hanna's shabby Northumberland cottage to Amy's stylish London home. After 39 years of celibacy, her second self - a wild sensualist-in-waiting - is awakened by the passionate artist, Felix, who also encourages her long-dormant artistic talents. But should she say 'an enormous yes' to a new life of sexual and artistic self-fulfilment, or follow her mother's example and devote herself to Amy, now pregnant with her first child? An Enormous Yes poses fundamental questions about what constitutes living well, and the choices we are forced to make between wants and needs, ideals and rights; exploring the conflicting claims of entitlement versus duty and responsibility. It pits our image-based, celebrity-obsessed culture against more enduring values, and, in chronicling a passionate relationship between two people in their sixties, challenges society's myth that sex is only for the young. Perriam's powerful and life-affirming new novel combines some of today's most controversial issues with all the exuberance and sexual daring that have made her name. book.
