THE GREEN PILL, ONE HOUR AND OTHER LESBIAN STORIES (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE GREEN PILL: The year is 2022. A green pill has been developed that cures breast cancer, but in the huge majority of cases, a side effect reverses sexuality. Basically, straight people turn gay, and gay people turn straight. Marcia Brandon, whose marriage to Jim has faded into monotony, keeps waiting for her side effect to kick in, but it never seems to. Marcia is dismayed; she'd counted on the side effect to shake up her life. On the other hand is Byrony Russell, who hasn't told her husband, Griffin, that she experienced the green pill's most notorious side effect. She keeps hoping an antidote will hit the shelves, and she can have her idyllic, heterosexual life with Griffin back. Marcia and Byrony meet at a support group and become friends. They're the only people in the room because it was Jessica's planning period, and Riley stopped by with concerns about a debate assignment. When the gunman finds them in the closet, they figure they're as good as dead. Except Jessica and Riley survive, without injury, their harrowing, surreal conversation with the gunman. Their shared trauma and their guilt from failing to stop the gunman haunt Jessica and Riley and bring them close. They're not the same people they were before the shootings, and Jessica, who never had given as much as a second glance to a student, finds herself drawn to Riley. One Hour is the story of how...
